Development applications open for public comment

Document downloads

You may download an entire development application in one click or view parts of the application separately.

To view the entire application you may need to download a zipreader.([PkWare \(http://www.pkware.com/downloads/downloads-margin\)](http://www.pkware.com/downloads/downloads-margin), [7-Zip](http://www.7-zip.org/download.html)

(<http://www.7-zip.org/download.html>), [WinZip \(http://www.winzip.com/prod_down.htm\)](http://www.winzip.com/prod_down.htm))

PDF files are viewed using Adobe Acrobat Reader, which you can download [here \(http://get.adobe.com/reader/\)](http://get.adobe.com/reader/).

The time taken to download documents will depend on your internet connection and the size of the file. It may take some time before the file can be viewed.

Site plans are particularly useful to help determine the size of a proposed development. Elevations provide various views to the proposed development. The "file name" column provides additional information to help differentiate between each document.

If plans are difficult to read or you are uncertain about the proposed development, please contact the Applications Secretariat by emailing [esddcustomerservices@act.gov.au \(mailto:esddcustomerservices@act.gov.au\)](mailto:esddcustomerservices@act.gov.au) or call our customer service staff on (02) 6207 1923.

You can also inspect copies of development applications at ACTPLA's office at [16 Challis Street Dickson \(http://www.actpla.act.gov.au/contact_us\)](http://www.actpla.act.gov.au/contact_us) [/contact_info/dickson_shopfront](#) between 8:30am - 4:30pm business days.
